

DOMUS DUE ES – 161A TB

The new Briel DOMUS DUE is a full size thermo block espresso machine with AEF automatic espresso flow. This design combines all the great features from Briel's existing range (plenty of pump pressure, patented "Crema Master" filter for consistent genuine crema, stainless steel housing, and chrome front panel), with innovative new developments which are guaranteed to make the production of espresso and cappuccino at home easier than ever before. *ESE adaptable for use with ground coffee or coffee servings (pods)*

Additional Features Include

- ESE adapted for use with ground coffee or coffee servings (pods)
- Electronically controlled AEF system with soft-touch buttons
- Metal Painted body with the black front panel
- An easy to read gauge shows the pump pressure of the machine
- Thermo Block assures a better temperature control as well as a continuous steam production, features two heating elements and long channels
- Non-stop steaming
- Steam frother/cappuccino
- Constant 18 Bars pump pressure producing a savory espresso with perfect crema every time
- Electronic soft touch switch board
- Cups warmer with stainless steel grid
- Removable tray and stainless steel drip tray
- Aluminium filter holder
- Two Filters: one for pods and another for ground coffee
- Cremaker®™ filter
- 1.8 L removable water tank and easy water refill on machine top
- Water level indicator
- Measuring spoon included
- Coffee tamper included
